EXHIBIT “A”

I. SUMMARY OF THE SETTLEMENT AND DISTRIBUTION

- A. The Settlement Agreement. The Defendant, Cingular Wireless, LLC a/k/a AT&T, has agreed to pay \$675,000.00 in exchange for a dismissal of this lawsuit with prejudice.
- B. The Payment by Defendants. The settlement amount shall be wired to the Law Offices of Philip R. Russ within 21 days of the Court's approval of the settlement.
- C. The Distribution to Plaintiffs. Subject to Court approval, after deduction of litigation expenses and attorney fees, the net proceeds of the settlement shall be distributed to each of the Plaintiffs according to the schedule attached to this Notice, which is calculated as follows:
- (1) The settlement distribution schedule is calculated to resemble a potential damage award to Plaintiffs. The settlement distribution schedule is calculated based upon subtraction of a 40% attorney fee award and \$17,496.28 litigation expenses.
 - (2) Each Plaintiff's estimated wage loss is calculated by multiplying the amount of their weekly wage by the amount of time they worked at the call center times the straight time rate and divided into the net fund for distribution to determine each Plaintiff's per rata portion to September, 2007. The estimated wage loss for each individual Plaintiff is then divided by the total amount of wage loss for all Plaintiffs. The resulting percentage assigned to each Plaintiff is then multiplied by the amount of net settlement proceeds available for distribution to arrive at each Plaintiff's individual portion of the net settlement fund. The settlement funds after deduction of attorneys fees and costs are distributed equitably to all Plaintiff's based upon the amount of each Plaintiff's weekly wage at the time of discharge or settlement of this case.
- D. Dismissal and Constructive Relief. In the event the Court enters final judicial approval of the proposed settlement and settlement distribution, this action shall be dismissed with prejudice as to the claims and demands of all parties. Each Plaintiff shall be deemed to have constructively released all claims against Defendant arising out of their employment at the Cingular Wireless Call Center in Lubbock, Texas, as if he or she had individually executed a release of such claims.
- E. No Effect on Retirement or Workers Compensation. The dismissal of this lawsuit with prejudice and the constructive release of all claims shall not affect any Plaintiffs' current legal rights with respect to their pensions, 401(k)'s, workers compensation claims or benefits, or current insurance arrangements.

- F. Counsel for Plaintiffs recommends Court approval of the proposed settlement and settlement distribution as fair and reasonable and in the best interests of the Plaintiffs in view of (a) the complexities of the case; (b) the serious questions of law and fact that exist which place the ultimate outcome of this litigation in doubt; (c) the prospects of appeal of any judgment to the trial court; (d) the lengthy delays that any such appeals would entail; and (e) the substantial benefits that Plaintiffs will realize under the terms of the proposed settlement.

II. HEARING

- A. A hearing will be held by the Court in the Courtroom on the second floor of the United States Courthouse, 205 E. Fifth Street, Amarillo, Texas, at _____ o'clock a.m./p.m. on _____, 2007.
- B. The purpose of this hearing is to determine whether the proposed settlement and settlement distribution is fair and reasonable and should be approved by the Court.
- C. Any Plaintiff who wants to state his or her opposition to the proposed settlement and/or settlement distribution must file a Notice of Opposition to Proposed Settlement on or before _____, together with a statement that explains the basis of his or her opposition.
- (1) The Notice of Opposition must be filed with the Clerk of the United States District Court for the Northern District of Texas, 205 E. Fifth St., Room 133, Box 13240, Amarillo, Texas 79101-1559; and
- (2) The Notice of Opposition also must be served upon counsel for Plaintiffs and counsel for Defendants in person or by first-class mail:

- D. At the hearing, any Plaintiff who has filed and served a Notice of Opposition to Proposed Settlement may appear (in person or through counsel) and be heard, to the extent allowed by the Court.
- E. No Plaintiff will be heard in opposition to the proposed settlement or settlement distribution unless he or she has filed and served a Notice of Opposition to Proposed Settlement. Any Plaintiff who does not file and serve a written Notice of Opposition in the manner provided above shall be deemed to have waived any objection to the proposed settlement and settlement distribution.
- F. No Plaintiff is required to appear at the hearing.

III. CONCLUSION

This Notice is not an expression of any opinion by the Court as to the merits of any of the claims or defenses asserted by any party in this litigation. The purpose of this Notice is to inform you of the proposed settlement, settlement distribution, motion for an award of attorneys fees and litigation expenses, and the hearing set for the Court to consider approving these matters.

This Notice is issued to you by Order of the Court.

CA. NO 2:07-CV-149-J

AFFIDAVIT OF PHILIP R. RUSS

[illegible]

Affiant, being first duly sworn, does depose and state as follows:

1. I have personal knowledge of the facts set out herein.
2. I am one of the counsel of record for Plaintiffs in the referenced matter and have practiced law in the states of Texas and Oklahoma, in both State and Federal Court, since my admission to the bar in 1967 in Oklahoma and Texas in 1968.
3. I have been involved with this lawsuit since its filing, and prior to the filing was involved in meetings with Plaintiffs and potential Plaintiffs in preparation for filing this lawsuit.
4. Attached hereto as Exhibit "1" is an Employment Contract and Contingent Fee Agreement ("Agreement") entered into with Lindsey Baldrige, one of the Named Plaintiffs in

this lawsuit. Plaintiffs' counsel have an identical signed Agreement with each of the 12 Named Plaintiffs and with 16 of the opt-in Plaintiffs. Plaintiffs' counsel do not have signed agreements with the other opt-in Plaintiffs. There are 12 Named Plaintiffs and 50 opt-in Plaintiffs in the lawsuit at this time.

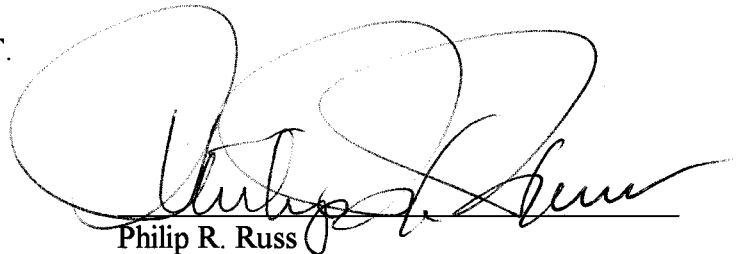

5. During the course of this representation, The Law Offices of Philip R. Russ ("Russ") and co-counsel, The Law Offices of James Jarrell, have performed the legal services which brought about the settlement offer which is presently before the Court.

6. Russ has one lawyer who has had primary responsibility in this matter. In addition, Monica Pena and Nicol Benton, legal assistants, have devoted all or substantially all of their time to this matter for several years. This case involves hundreds of thousands of documents, including payroll records, trial exhibits, damage models/projections and the like. Russ' time records, which I have reviewed, show that the firm has incurred 514.3 hours by Philip R. Russ, 162.8 hours by James Jarrell, 260.1 hours by Monica Pena and 367.2 hours by Nicol Benton, for a total of \$250,177.50 in time charges from inception through September 20, 2007. James L. Jarrell has incurred 162.8 hours for a total of \$48,840.00 in time charges which is included in the figure totaling \$250,177.50. The range of hourly rates for the lawyers primarily involved in the case was and is \$300.00. Monica Pena and Nicol Benton's hourly rates are \$75.00. I anticipate expending an addition 40 to 50 hours of my time handling three (3) mail-outs in the settlement approval, fairness and distribution process. There are a substantial number of hours not documented by Philip R. Russ, James L. Jarrell, Monica Pena and Nicol Benton that are not claimed.

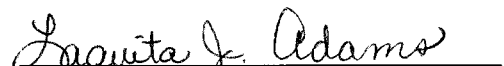

7. The combined dollar value of the legal services of The Law Offices of Philip R. Russ and The Law Offices of James Jarell through October 1, 2007, equals \$250,177.50, see Exhibit "1" to this affidavit being Philip R. Russ' itemization.

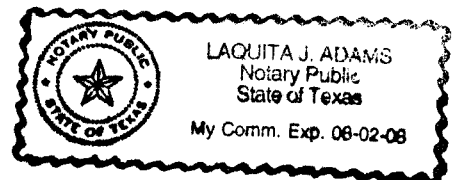

8. In addition, The Law Offices of Philip R. Russ, see Russ' itemization of expenses as Exhibit "2" hereto, and The Law Offices of James Jarell (Jarrell advanced \$3,557.06) and both firms have incurred litigation expenses actually advanced of \$17,496.28. Included within this total are prepaid expenses. These prepaid expenses are for mailing expenditures which Plaintiffs' counsel will incur between now and the time that this matter is brought to a close. The first mailing will be to mail out copies of the Notice of Proposed Collective Action and Hearing. The second mailing will be to mail out copies of the Court's Order, if granted, approving the Collective Action Settlement. The third mailing will be a certified, return receipt requested mailing of the individual checks to the Plaintiffs. The total of the prepaid mailing expenses is \$385.30.

FURTHER AFFIANT SAITH NOT.

Philip R. Russ
